

ADVANT Altana advised Amplitude Laser Group on the sale of Continuum to Lumibird

Paris, 12 November 2024 - ADVANT Altana advised Amplitude Laser Group on the sale of its Continuum nanosecond lasers business and its related service activity.

Amplitude Laser Group is the international leader in the design, development and marketing of femtosecond lasers for industrial, medical and scientific markets.

Amplitude Laser Group intends to focus on the development of its ultrafast, ultra-high energy lasers for the US and global markets.

The ADVANT Altana team was led by Fabien Pouchot (M&A partner) and Alexandra Ferrier (M&A associate), together with Jean-Guy de Ruffray (IP/IT partner) and Etienne Nicolet (IP/IT associate).

The team previously advised Amplitude Laser Group on the acquisition of Fastlite in 2023.

About ADVANT Altana

ADVANT Altana is a multi-jurisdictional law firm founded in 2009, with nearly 90 lawyers, including 26 partners, based in Paris. ADVANT Altana's teams assist French and foreign companies, as well as their executives, in handling high-stakes technical or strategic cases, particularly in the most regulated sectors: Banking-Insurance, Construction, Renewable Energies, Life Sciences, Technologies - Media - Telecommunications. The firm is a member of the ADVANT alliance, which brings together more than 700 lawyers, including around 160 partners, in its 15 offices in continental Europe and beyond through its association with the German firm ADVANT Beiten and the Italian firm ADVANT Nctm.
